Letter no CI. 6767/54-55 Dated 25th
Aug 1958 from the Divisional Comm Bangalore

15

The Divisional Comm Bangalore has forwarded the lists received from the S.C. Kolar showing the details of lands granted in each year and the officers who made the grant.

16

The Sahasidhar Kolar Taluk has reported that these survey number inquiries have been shown as "gomal" in the Index of Land Register and there is no mention of Forest in the said registers.

17

In the absence of specific entries in the Revenue records by the Forest authorities the Revenue officials relying up on the Revenue records have disposed of the land out of Nos 55 and 202 of Padabaki village for which they are not responsible.

18

Hence the A.S.P. Dept may be requested to give issue necessary instructions to the local Forest authorities to make necessary entries in the Revenue Records against the survey numbers belongs to them.

19) The R.D. has stated that these lands are recorded as "Gomal" lands in the Rev Records. Hence the Rev Officers are disforesting these lands for cultivation since 1929-30 onwards. In the absence of proper entries in the Rev Records, the R.D. states that the Rev officials who have released the forest land for cultivation are not responsible. R.D. ^{further} suggests that necessary instructions should be given to the local forest authorities to make necessary entries against the S.M.s belonged to the Forest Deptt.

Under the circumstances the C.C.F. may be informed accordingly. A draft letter to the C.C.F. is put up for approval.

As grant of such large areas cannot be due to inadvertence or mistake, the conduct of Revenue officials responsible for these grants requiring enquiry and taking of disciplinary action. Copy of letter No.Cl.P.R.133-C.6767/54-55 dated 29th October 1955 from the Revenue Commissioner in Mysore, Bangalore, to the Secretary to the Govt. of Mysore, Revenue Department, Bangalore.

....

Sub:- Disafforestation of survey Nos.202 and 55 of Yedehalli Village of Kolar Taluk.

....

I write to forward herewith the copy of the letter No.M2.C.1891/54-55 dated 3rd June 1955 from the Deputy Commissioner, Kolar District, and a copy of the letter No.M1.87-311/44 dated 22-9-1955 from the Chief Conservator of Forests in Mysore, together with the connected records and to state that the lands to the extent of 440 acres 16½ guntas as noted in the Deputy Commissioner's letter have been disposed of under Darkhast Rules and that there have been also encroachments on certain lands. Since the grants in question out of Forest Area were made without consulting the Forest Authorities they took objection and requested the eviction of the grantees.

The Chief Conservator of Forests who was consulted in the matter has opined that the only course now open is either to evict all the grantees or to release the entire extent of 883 acres 20 guntas for cultivation (Vide his letter - copy enclosed).

It may be seen from the letter of the Deputy Commissioner and the records that the grants have been made long back and that it would be a great hardship if the grantees are to be evicted now.

In the circumstances I am of opinion that it would not be feasible to evict the grantees who have been in possession of the lands for about 12 years and I request that orders of Government on the proposal of the Deputy Commissioner, may be kindly obtained and communicated.

Sub:- Grant of lands in survey No.21 of Arehalli village and disafforestation of ~~##~~ survey Nos. 202 and 55 of Yedehalli Village.

...

In continuation of my letter of even number dated 25-2-1955 and with reference to your letter No.C1.6767/54 dated the 29th June 1955 on the subject, I retransmit herewith the records received with your reference quoted and state that the entire area of the Minor Forest is a little over 881 acres out of which 440 acres have already been given away for cultivation without the knowledge of the Forest Department. If the grant should stand, there is little use in retaining the balance area as a Minor Forest. The idea of forming these Minor Forests with a view to eventually converting them into State Forests. It is very desirable that portions of such forests should not be given away for cultivation. However, since this has been done, years ago, the only course now possible is either to evict the grantees or to disreserve the entire block as the Forest Department is not interested in keeping such small blocks. I request you kindly to take such action as you deem fit and kindly intimate in due course the result for my record.

But I find a large area of nearly 500 acres of Forest area has been granted for cultivation by the Revenue Department without the consultation of the A.D. This is highly objectionable. There are always under hand dealings in the grant of forest lands by the Revenue Department. Hence a note may be put up ~~there~~ to the Minister for Revenue to take action against the Revenue officers who are responsible for the illegal procedure adopted by them.

Ref:- Your letter No.(B3)M1-37-311/57 dated 21-5-58 on the

I am directed to state that Government observes in this case that due to the absence of proper entries in the Revenue Records about the forest lands, the forest lands in S.No.21 of Arehalli and S.No. 202 and 55 of Yedehalli have been disposed of by the Revenue authorities for cultivation without consulting the Forest Department. Moreover the Forest Department also did not notice this lapse earlier as the lands are granted ever since 1929-30 onwards. I am therefore to request you to give proper directions to your subordinates to see that necessary entries are made in the Revenue Records about the forest lands in order to stop such grants in future.

2. You are further requested to submit your proposal regarding disforestation of the area and also draft notification regarding the same as called for under Government Letter of even number dated 20-12-57.
